"I rubbed my aching prick against her peachy bum cheeks"

Are any of your readers old enough to remember National Service? I doubt it. Come to think of it, neither am I, but that's the new nickname we've given to one of the girls who goes to my local. She earned it courtesy of one of the regulars after a particularly eventful barbecue...

My pub landlord always dusts off his mega-barbeque at the first sign of the sun for a Saturday night grill-up. How could we possibly refuse the cheap(ish) beer and a quick dose of E-Coli? A gang of us lads decided we'd make a day of it: footy on TV in the afternoon, followed up by more beer and some grub. The good weather meant the pub was heaving, birds and all, and a few of the local lasses sat down with us. Boys being boys, we got the conversation onto sex after about, oh, maybe ten minutes!

We were all pretty pissed, and it didn't take much encouragement for some of the girls to get a bit fruity and start talking about what they liked in bed. One of the girls, Erica, started saying how tiny her last boyfriend's cock had been. Amanda was all mock-horror, saying she hadn't been shagged properly until she'd sat on a really big cock. That's when Lissa piped up and told her that I was a bit gifted in that department! Fuck knows how she knew; it's not like I advertised it on the girls' toilet wall! Anyway, I was immediately the subject of extreme interest from the drunken crowd of girls, who wanted me to get my todger out, there and then. Drunk as I was, I held back. We were in a pub, after all!

Eventually, the subject matter changed and I was able to stop blushing. But it apparently hadn't quelled Erica's interest in me. I could see her out of the corner of my eye, checking my packet out every now and then, so I decided to have a bit of fun. Excusing myself to go to the gents, I went and gave myself a bit of a shake to get the blood flowing. I tucked myself back in with my semi-lob outside my pants and hanging down my leg. My tight jeans didn't fucking hide much, but I was too pissed to care, and strolled back towards our tables with a very impressive looking bulge in my leg.

I hadn't got halfway across the room when my arm was grabbed. It was Erica. She tried to drag her eyes away from my prick, but she was losing the battle. "Wow," was all she said. Now if I'm honest, I'm not exactly hung like a horse. But I have it on good authority that my prick is just shy of nine inches long, courtesy of an ex who measured it, one drunken evening. Erica was intrigued, and asked nervously if she could see it. Since it was just the two of us, I was definitely game, mainly down to a mixture of booze and ego. Taking her hand, I led her back into the empty gents and into one of the stalls. She sat down on the toilet lid, right at crotch level and looked at me expectantly.

"Well," I said, "it's your first time looking at a big one, so go on, dive in!"

Erica took the not-so-subtle hint and unzipped my jeans, gently easing them down over

my Calvins. As my cock flopped into view, I swear she caught her breath – and as it hung there, I made it twitch slightly. Erica looked up at me and giggled somewhat nervously.

"How big is it?" she wanted to know.

"Well, why don't you try and measure it with your hands?" I suggested, hopefully.

Erica reached out and wrapped her hand around my cock. The sensation of her cool skin on mine had the desired effect, and my prick started to stiffen in her hand. Erica giggled again, but this time when she looked up at me, it wasn't laughter in her eyes. As my cock grew harder, my foreskin slipped back in her hand. Erica squeezed, forcing my bell-end out. I was breathing harder now, and when Erica suddenly bent her head and put my prick in her mouth, my breath caught in my throat. This was fantastic. Unexpected, but fantastic!

The sensation of Erica's tongue on the underside of my prick was exquisite. That, combined with the slurping noises she was making as she sucked me inside her mouth was enough to give me a full boner – which Erica made full use of. She gave a brilliant blow job, bobbing her head back and forth on me and sliding her warm, wet mouth up and down my shaft like an expert. When she pulled away and sat there, tossing me off in her face, I was disappointed and she knew it. "I want to know what it feels like inside," she told me.

Standing up and turning her back on me, Erica undid her trousers and let them fall to her knees. Inching in behind her, I pulled the gusset of her little white thong to one side and rubbed my aching prick between the peaches of her arse. She was already nice and wet, which was satisfying. I pulled her bum cheeks apart and was delighted to see that she shaved her snatch. Just as I eased the tip of my prick into her hot hole, the bog door opened and a couple of lads came in. Erica was ready to scream blue murder as my cock stretched her cunt wide, so I stuffed my hand in her mouth. She bit down hard on my hand, as I gently forced home every inch of my meat. When I was fully inside

her, she seemed to sag back against me and then tensed again. She was breathing hard through her nose and I really thought we were going to get caught. Then I realised that Erica had reached orgasm just having my prick inside her! That got me even harder, and I started to slowly ease in and out of her, her teeth still clamped firmly around my hand. When the lads left, I pulled my hand free and shook it to get the blood flow going again. Luckily she hadn't broken the skin!

"Come on, fuck me with that fat cock!" Erica urged me on. I started to piston my prick in and out of her. I must have been banging into her G-spot with every thrust, because she seemed to be coming almost continually – either that, or she was an amazing actress. She even pressed her face against the wall of the toilet and reached around to pull her arse open further, so that I could get my prick even deeper inside her. As her pussy spasmed around my dick again, I knew I was on the verge of coming and warned her. "I want to see!" she yelped, and quickly pulled off me.

Sitting back down again and yanking her T-shirt up, exposing a pair of big tits with very stiff nipples, she reached out and started tossing me again, aiming me at her chest. Seconds later, my ball-bag shrank and I felt my cock get so hard I thought it was going to burst. A thick string of spunk exploded from the tip and splashed against Erica's tits, covering her right breast in my sticky seed. It was joined by three more jets, before the sensations inside my scrotum subsided and I was able to relax.

As Erica gently teased the last few drops of spunk out of me, I leant back against the toilet stall door, utterly drained. Erica sat there, thoughtfully playing with my spunk on her tits. I was about to thank her when she suddenly said, "That was good. Amanda was right. Who else has a big cock?"

I was gobsmacked. "Um, Andy's supposed to do all right," was all I could think of saying. "Tell him to meet me in here," Erica asked, standing up to kiss me on the cheek. "I want to try another good one."

I did as I was told. I went back to the table, murmured in Andy's ear and off he went. By the time I'd finished my pint, he'd come back over and told me Erica wanted to see me again! As I wandered back to the toilet, bar-propper-upper Simon beckoned

me over. Regular? I don't think he ever goes home! "That pretty blonde hasn't come out yet," he told me, grinning, with a twinkle in his eye. "Eh?" I stammered.

He winked, "I was up to that sort of stuff when I was your age. We had a girl in Catterick we used to call National Service, 'cause she'd done half the boys at the base after our third week there!" I smiled at him, and strode off to do some National Servicing of my own.

Husband plays a blinder

"My juicy cunt was aching for a good licking and a fucking!"

My boyfriend Sam told me his fantasy was seeing me with another woman.

I was nervous about it but you only live once so I told Sam I would tell him when I was ready for it. In the end it happened without me even knowing!

I was in the bedroom getting my sexy gear on. My cunt was getting moist and twitchy at the thought of being handcuffed to the chair that Sam was setting up downstairs.

We'd done it a few times and as far as I knew there were only me and Sam in the house. I entered the room to find Sam with his cock standing to attention and ready for action.

He walked over to me, tied a blindfold around my head and told me not to say a word. He handcuffed me to the chair and began kissing me.

He was going to enjoy the night, and so was I. He told me to imagine it was a girl doing what he was doing to me, and I let my imagination run wild.

He kissed me hard and then went straight between my legs where my juicy cunt was aching for a good licking and a fucking. I was getting wetter by the minute.

He stuck his tongue up my juicy cunt and I moaned aloud.

Suddenly my legs were spread open and my thighs were gently stroked. A hand softly touched my pussy and Sam asked me whether I thought it was him or someone else.

My pussy was being rubbed in all the right places and I felt a finger enter my wet cunt hole. It felt so good and I moaned in pleasure as another finger felt its way into my cunt.

My pussy was rubbed harder and faster, getting a good finger fucking. My cunt tightened and I knew I was about to cum. Just as I was getting another licking my

NAUGHTY BUT NORSE

Thwoooaaarr! With mainstream *Thor* sequel *The Dark World* in cinemas, three-time AVN Director of the Year Axel Braun cashes in and splashes out on a typically well made porn parody from Vivid Productions that will have you retreating into your own "Dark Room". Expect this film to have your hands raping and pillaging your hairy cock like a horde of angry bearded Norsemen did to Lindisfarne (the bastards!). The Thor birds who look like they'll require an "Asgard" for a few months are Julia Ann as Frija, Nicole Aniston as The Enchantress, Alyssa Branch as Jane Foster and Kimberly Kane as Sif. These impeccable pussies will have cosplay and comic fans goading their little Odins on to rune their pants.

blindfold slipped slightly and I got a peek across the floor. I saw Sam's leg and it looked like he was standing up.

I wondered who was licking my cunt, and guessed it was probably another woman if Sam had anything to do with it.

My pussy was being licked, sucked and fingered by another woman and I never thought I could have enjoyed it so much as I did. I'd cum five or six times already by then.

Sam must have been pulling his cock extra hard at the sight of this girl on girl action. My twat needed something big in it and I think she sensed that.

I reached up to get out of the chair and I felt her gentle hand touch my arm then waist. She led me to the floor and we kissed. She put her hand on my pussy and started to rub it slowly.

I stopped completely still and she sucked my cherry hard nips. I heard a buzzing noise and I knew I was really going to get it.

She got me down on all fours and teased my bud with the dildo. It made my cunt hole really wet and that's when she rammed it in right up to the top.

"Oh fuck that juicy coat!" I moaned out loud. Sam asked me if I wanted it deep and hard. I said I did and that's how I got it.

I came again and again. I was incredibly wet and so was my buzzy friend. I began to buck faster onto the big plastic cock. It was so deep in my cunt it hurt but that didn't stop me cumming.

Sam was close all the time. He must have been behind me so I wouldn't think there was anyone there but him. If the blindfold hadn't slipped I would have thought it was Sam doing all this.

I was getting fucked by a woman with a dildo and enjoying every second of it but I didn't ruin the game by taking the blindfold off.

Afterwards we talked about our session. I told him I'd seen his leg while I was getting my cunt eaten in the chair and he confessed it was another woman.

He told me she was called Diane and had liked me a lot. She'd done most of the work while Sam got his cock ready to fuck me (which he did, up the arse, after she'd finished with the dildo).

I'm going to meet her face to face next week. Can't wait!

TRUE CONF

THERE'S LESBIAN LOVE AMONGST THE COXLESS FOURS DOWN AT THE ROWING CLUB

I've been in a girls' rowing team for the last few years. This means I have to put up with an awful lot of stick from my male friends about what we get up to after outings in the showers, well, you can imagine. And although I used to make stories up just to amuse them and wind them up, the other day something actually happened for real, that I just couldn't wait to tell them about.

The first thing to realise though is that we're not all big, butch girlies, who resemble Russian shot-putters. In fact, the longer and leaner the girl, the better it is for rowing. The other thing is that we spend an awful lot of time in skintight lycra, so there's very little left to the imagination – if you were interested, there's not much more to see! And in case you were wondering, it's also true that there's not much room for any underwear under an all-in-one rowing outfit.

I row in an aptly-named coxless four. There are always competitions at the weekend, and after a big race it's back to the club to unload the boats before we have a few pints in the bar. A few weekends ago, we'd won gold and decided to really celebrate. The only problem is, when you've been racing all day the alcohol tends to go to your head pretty quickly, what with the exertion and adrenaline. Most of the other girls had drifted home, but a couple of us were lying around in the clubroom, still in our kit, indulging in some post-race analysis. One of the crew members, Sara, is the kind of girl who finds it hilarious to indulge in a bit of arse-slapping and nipple-tweaking, though I suppose it had never really crossed my mind that she was into girls sexually. So when she suggested it was about time we all had a shower, I didn't really think anything of it. After all, we did stink!

As you'd expect, our showers are communal, with no curtains whatsoever, but nobody is particularly modest in our team so it's not really a problem. I guess modesty goes out of the window as soon as you pull the lycra uniform on! We all piled in the changing rooms, shrieking with laughter and staggering from all the booze. I stripped off first and bounced into the shower, while the others faffed about, getting undressed. I had just started soaping myself up when I felt Sara's hands on my shoulders.

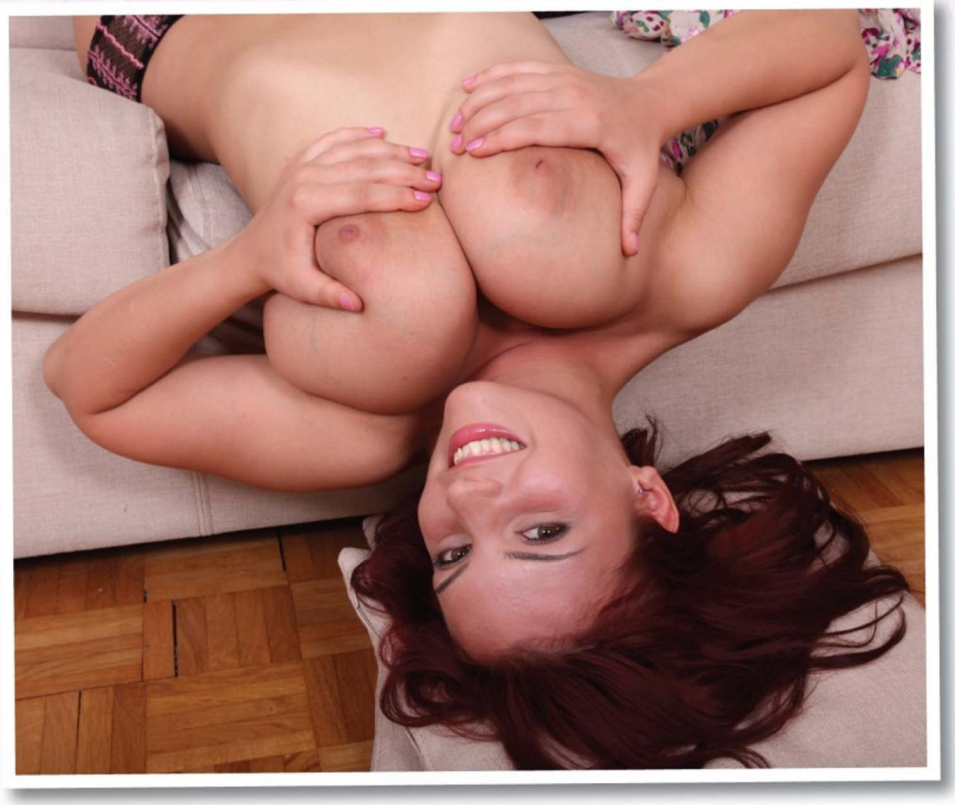

"Let me wash your hair for you," she said, rubbing some shampoo into my head. This was pretty strange behaviour, even from Sara, but I let her carry on as it felt pretty nice having her massaging me while the hot shower streamed down over my head.

Then, however, her hands started to move further down, cupping my breasts from behind and squeezing at my nipples. This definitely wasn't the playful tweaking of before, but to be honest I was so high from

FESSIONS

the adrenaline and alcohol that I let her continue. Then she reached for my pussy. My first, guilty, reaction was to clench my legs together so she wouldn't be able to explore me, but she carried on soaping my belly, moving closer and closer towards my clit so that I gradually relaxed and let her find my cunt. All the time she was biting at the back of my neck, expertly teasing my body as though she'd done this hundreds of times before.

As this thought entered my head, I suddenly remembered my two other crew mates. Out of the corner of my eye, I caught sight of them with their hands all over each other, watching Sara fuck me. Before I even had time to wonder whether they'd both been initiated in this way, Sara was on her knees behind me, spreading my buttocks, forcing her tongue between my crack. I'd always thought this was really dirty, but now, standing here in the shower, I instinctively bent forward, pressing my hands against the wall so she could ram her tongue further inside me, before running it deliciously round my rim. Then, suddenly, she was right underneath me, sucking at everything, pushing her fingers inside my aching, dripping snatch. I could hear moaning behind me as the other two, turned on by what they were seeing, were obviously having some fun.

I got a real kick out of the fact it turned them on, watching me being fucked by a girl, and I couldn't help but start to moan myself. We slid to the floor of the shower, so Sara could finally get her mouth round my nipples and I could rub myself against her hard thighs, loving the feel of them on my clit. I stretched my legs wide, so my swollen nub was pressing right against her skin and, in a frenzy, I frigged myself off against her.

When I felt slender fingers pushing into my arsehole and up my fanny, I hardly knew if it was Sara or one of the others, but it was enough to make me begin to climax; my tingling clit sending waves of pleasure throughout my body. I relished the feeling of writhing against her smooth body, the water from the shower mingling with my streaming pussy juices. At that moment I knew rowing was going to be a lot less painful _ and a lot more enjoyable – than it had been in the past!

Shrove Tuesday has just been and housewife Taylor, 40, who certainly hasn't got a pair of pancakes, got a nice filling from her husband! "He came home from work on Pancake Day but instead of cooking the batter, I poured a big bowl of it all down my arse and boobs and told him to flip me over and toss off. He nearly hit the ceiling!"

Getting close to naturists

I have always been a bit of a dirty sod, buying *Razzle*, enjoying looking at neighbours sunbathing topless and stuff, but my wife Alice has always been a bit shy.

You couldn't exactly call her a prude, but she definitely wasn't on the same pervy wavelength as me.

It came as quite a surprise, then, when I finally persuaded her to go to a beach that is unofficially naturist about eighteen miles up the coast from us.

We took a packed lunch and lots of drink, hoping to find a nice secluded spot in the dunes.

We ate our lunch and I tried to touch Alice's tits and pussy, but she wouldn't have any of it. She thought someone might catch us.

Disappointed, but enjoying the sun, I was half asleep when Alice said she was going for a pee. She got up and said she was going to find somewhere private.

She finally came back twenty minutes later and flopped down beside me, lying on her stomach. I asked her where she had been for so long.

She replied that she hadn't been able to find anywhere suitable and, not wanting to be seen by anyone, had had to wait for the right moment. I though no more of it and we dozed in the sun.

A little later she announced she was going again. I knew we had drunk a fair bit of water, but not that much! My curiosity was aroused.

She took some tissue paper and I let her get a little ahead before following. Alice walked through the dunes for about forty yards and crouched down.

I could immediately see at least four naked men wandering about, obviously interested in the sight of an attractive nude woman.

They positioned themselves at various angles about ten to fifteen feet away from her. For her part, Alice seemed not to notice them.

I was about to go to her and warn her but something made me stay where I was. After all, she was safe enough.

She squatted down and proceeded to pee into the sand in front of her. The men could all see exactly what she was

doing, and one was stroking an impressive erection.

She stayed squatting down, but then opened her legs widely and made a great show of wiping her wet fanny with a tissue.

All four men were now openly wanking, but Alice appeared to be oblivious. She buried the tissue in the sand but kept her legs open.

She started to rub her middle finger up and down her wet slit.

She must have known she was being watched and wanked over, but unashamedly she carried on.

She moved her finger in circular movements over her clitoris and started to moan softly, gently bucking her hips backwards and forwards.

Two of the men had actually come within three feet of Alice but she still gave no sign of knowing they were there. To be honest, I was wanking my own prick for all it was worth.

I don't think there was much of an interval between all six of us cumming! Alice then smiled up at the men, watching the different loads of spunk spraying out of their cocks.

She shuddered to her own climax, her fingers a blur.

I nipped quickly back to our towels and lay down. When Alice sat down, I asked her if she'd been able to find anywhere suitable.

She said it had been difficult to find anywhere private. I lay there and smiled to myself, thinking about how I would broach the subject later with my formerly shy wife.

I was also thinking about all the fun we were going to have on the beach in future!

Dave, Lincs

Two into one really does go

I would like to tell you all about when my fantasy of having a threesome became a reality.

It all started when my partner and I went out for a meal with one of our friends, Steve. Steve is a lifeguard, so you can imagine what his body is like.

My partner and I go to the gym a lot so he is in good shape too. The conversation turned to our greatest fantasies. To our surprise, we found we shared a common threesome fantasy.

Soon we were working out where and when we could do it. The boys, randy as fuck, decided it should be that night at our place and I agreed.

Back at our house we had a drink and got going. It was decided I should be blindfolded and then have to guess which of the guys was doing what to me.

I was taken to the bedroom where they stood me in the middle of the room and stripped me down to my knee-high boots, stockings, thong and bra.

The feel of two pairs of lips kissing me all over was sensational. My bra was removed and as they kissed my pert nipples a shiver ran down my spine.

I was bent over and my sopping wet thong was pulled to one side. Two fingers were thrust up my wet, shaven cunt. I groaned as they

"My body convulsed as my partner shot his hot load into my steaming pussy"

pummelled my pussy from behind.

As I opened my mouth to groan louder a fat cock was plunged into it. I sucked on it greedily, eager for the taste of cum.

My knees weakened as I felt a tongue slurp up and down my pouting pussy lips. I started to cum, at first in just a trickle but then in rivers as the guys did me harder and faster.

When the guy licking me from behind had swallowed his fill he straightened up, held my hips and slid his meaty bell-end up against my mound. With a nudge he was in.

I was being pumped from both ends and loving every minute of it. One of my hands was on one of the guy's balls and the other was resting on the bed to stop me falling over.

They pumped me harder and faster. If my mouth hadn't been so full I would have screamed with pleasure.

The first guy shot his load over my arse. Next thing I knew I was being thrown on onto the bed on my back. One of the guys climbed on top of me and started fucking me again.

The other one offered his cock to my lips. I could feel a massive orgasm growing inside me and I squirmed like a mad woman.

The blindfold came free and I looked up to see my partner pumping away at my cunt and Steve with a look of ecstasy on his face as I sucked his hard cock.

Steve shot his cream over my tits and rubbed it in and my body started to convulse as I climaxed. As I did, my partner shot his hot load into my steaming pussy.

It was a fabulous night and one that I want to repeat in the near future. If lucky readers will let me!

I am still curious about a threesome with another girl. So if there are any females out there who are interested please, please contact me!

FILM PHW

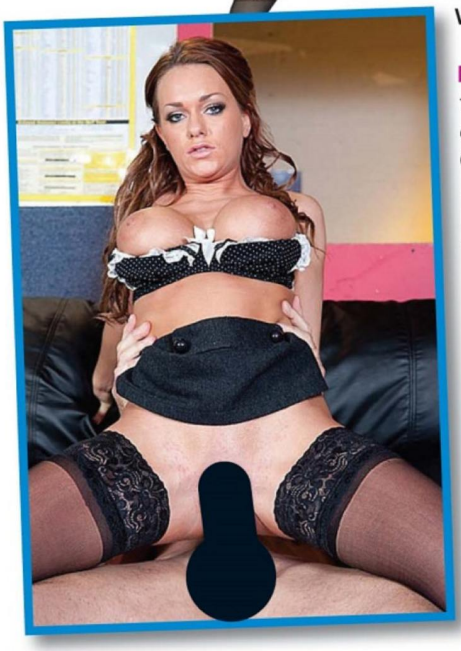

WE LOVE THESE LADIES' LUST-INDUCING LIVERY!

Uniformly Sexy

Cock Inspectors

Released by: Bluebird Films
Starring: Mai Bailey, Black Angelika, Cindy Behr, Paige Ashley, Jasmine Webb, Lissa Love

BEST BITS: As with most Bluebird releases, *Cock Inspectors* features a stellar cast, with years of dick-wrangling under their collective belt. Eurobabe Black Angelika teams up with blonde cutie Cindy Behr (*right*) for a magnificent three-way, each brandishing a prop of their choice – truncheon and handcuffs, if you must know – while fucking and sucking their way around their stunt-cock. British superslut Paige Ashley (*left*), initially dressed in a prim blouse and skirt, soon peels them off to reveal a sexy bra and hold-ups, before inspecting her given dick thoroughly, in her usual loud and enthusiastic style that's won her legions of fans.

WORST BITS: We were hoping for a few more uniforms, with only PVC-clad Cindy Behr doing it for us on that front.

DVD FEATURES: Photo gallery, trailers.

Body Heat

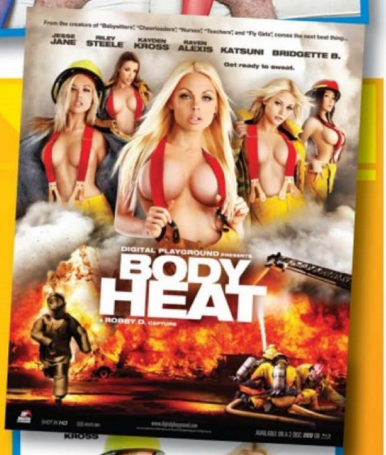

Released by: Digital Playground
Starring: Jesse Jane, Katsuni, Kayden Kross, Riley Steele, Raven Alexis (*left*)

BEST BITS: Hardly surprising that Body Heat was nominated for three industry awards, including Best Feature, as US giants Digital Playground threw everything they've got at it – including a whopping budget, an amazing cast, a real firehouse as a location, a plausible story line and some awesome special effects. Kayden Kross (*right*) takes the lead role here, and she doesn't disappoint with either her acting skills or her sexual prowess. The seventh and final scene is, without doubt, the highlight of the movie, with all five contract girls getting together for one big orgy with open-mouthed kissing, fingering, rimming, and rug-munching.

WORST BITS: No anal at all, with the exception of a tiny bit of rimming and the occasional finger. The non-sex scenes seemed a little longer than average too.

DVD FEATURES: A whole bonus disc of BTS, deleted scenes, out-takes and trailers.

OOOAAR!

Fly Girls

Released by: Digital Playground
Starring: Jesse Jane, Jenna Haze, Riley Steele, Katsuni, Sasha Grey, Raven Alexis, Lisa Ann, Nikki Benz, Diamond Foxxx, Janie Summers

BEST BITS: With an almost unbelievable cast, Fly Girls really is the stuff dreams are made of, with every uniform-clad "air hostess" enjoying their share of dick, and as a result all receiving a facial. Unusually for a "comedy" porno, the funny bits really do work! Janie Summers' blowjob in the first scene is awe-inspiring; from the way she spits and gags, to the savage face-fucking she gets in return. The pairing of Sasha Grey and Raven Alexis for their three-way in the fourth scene is a stroke of genius. Far from being overshadowed, Raven more than holds her own, and by the time they've screwed every genital in sight and they're cum-swapping their joint facial, you'll be sure to have popped your load.

WORST BITS: Apart from the continual uber-close-up shots when a wide would suffice, there's nothing for us to moan about at all!

4.5/5

DVD FEATURES: 17- minute-long BTS featurette.

House Call Nurses

Released by: Zero Tolerance
Starring: Kendall Karson, Nicole Aniston

BEST BITS: What could be better in life than being tended to by a sexy nurse? Curvaceous Nicole Aniston (*below*) gets naked with her patient. After a few positions, she gives him a quick tit-wank and accepts his load over her plentiful bangers. If you haven't seen leggy Kendall Karson before, you're in for a treat! Her tight body was made for sin, something she proves from the off, gagging on cock and being shagged while spanked till her arse cheeks are pink.

WORST BITS: Most of the outfits are discarded at the beginning of the scene.

DVD FEATURES: Photo gallery, trailers.

3/5

Now this is the sort of Buy One Get One Free offer we won't be leaving languishing in a carrier bag in the kitchen: Jasmine and pal Chessie always cum as a pair – quite literally! "We share a flat, the same best mate and our boyfriends too!" cooes Chessie. "You should see their faces when they realise they're getting three in a bed!"
